

think that most of my constituents would also.

**PRESIDENT MOUL:** Thank you, Senator Dierks. Senator Cudaback.

**SENATOR CUDABACK:** Madam President and members, for the sake of time I won't go into all the matters that Senator Johnson went into and the others. But, as I stated yesterday, Buffalo County went their own way. To me, it doesn't make much sense for all the counties to go their own way. If we work together, we can save, we can learn from other experiences. And so I just hope you reconsider the...for fairness of the lack of people here yesterday, please vote for this reconsideration. Thank you.

**PRESIDENT MOUL:** Thank you, Senator Cudaback. Senator Robinson.

**SENATOR ROBINSON:** Madam President and members of the body, I stand to oppose the reconsideration motion. I had never heard of this issue before I came down here and, you know, I have not been...I have not had an avalanche of letters, in fact, I have not had one person call me. And, as I see it, you know, the dike is starting to break and I think before long the water is going to be all over the place. So I stand to oppose the reconsideration motion and let us move on. Thank you.

**PRESIDENT MOUL:** Thank you, Senator Robinson. Senator Schrock.

**SENATOR SCHROCK:** Madam Chairman, members of the body, Senator Dierks' little tale reminded me of something that happened this spring also. I talked to my brother. He was planting corn and he said five coyotes trotted across the field and then sat on the fence line and watched him for half an hour planting corn. He said he had never seen that before. The fur industry is dead because of environmental concerns, animal rights' concerns. Coyote hides used to be worth anywhere from 40 to \$60 a piece and now you can't give them away. So it is a problem. And, Senator Robinson, I don't know if this is the way to address it but I don't know what we're going to do about it. Maybe...maybe we can get enough sportsmen out there to help us, I don't know, but it is a problem. And so I would favor the reconsider motion.

**PRESIDENT MOUL:** Thank you, Senator Schrock. Senator Schmit, followed by Senator Nelson and Senator Morrissey. Senator Schmit.
