

when you stated that this amendment involves a specific group of people only? Did you say that?

SENATOR HORGAN: It will impact on a finite number of students, yes.

SENATOR CHAMBERS: And did you say that no other students can get into this category?

SENATOR HORGAN: Because of the way the bill is written, Senator, you have to have attended the school...

SENATOR CHAMBERS: No, no, let's not confuse it. I would like you to answer the question based on your amendment. Can any other children take advantage of your amendment and get into the situation that these 28 that you're talking about find themselves in now?

SENATOR HORGAN: Not to my knowledge.

SENATOR CHAMBERS: So then it is a closed...it's a permanently closed class, under your amendment.

SENATOR HORGAN: As it is...as it is in the Lincoln situation, yes.

SENATOR CHAMBERS: Under your amendment, is that what will happen?

SENATOR HORGAN: Yes.

SENATOR CHAMBERS: Do you know what the term "special legislation" means? And as a legal concept, if you don't, I don't want to ask you anymore questions.

SENATOR HORGAN: Okay, then I'll sit down.

SENATOR CHAMBERS: Okay. I would like to ask Senator Lindsay a question.

SENATOR LINDSAY: Yes.

SENATOR CHAMBERS: May I ask Senator Lindsay a question?

PRESIDENT MOUL: Senator Lindsay.
