

was really moved by Senator Byars' comments. Sense of fairness. Ohhh, sense of fairness, that is what we need. The good old boys, the good old boys, George and Senator Byars are the good old boys. Maintain our district. That is what we want to do up in Burt and Washington County, we want to maintain them, just like they do, just like they do. Senator Hartnett says we have got to stay together. You don't need to stay together, Senator Hartnett. You'd probably be better off without them and keeping us. Now remember what I said, you people out there in rural Nebraska, Senator Chambers, you know, you have been an advocate of the farmer.
