LB 829

something that I can live with and I think most of us can live with in agriculture for one year and I will be supporting the amendment. Thank you.

SPEAKER BAACK: Thank you, Senator Schellpeper. Senator Robinson.

SENATOR ROBINSON: Mr. Speaker, members of the body, I want you to know, Senator Hall, I'm starting to lean so that ought to be good news to you when I start to lean. So, do you see changing party at all, breaking that down in...like Senator Schellpeper, do you just see staying rigid on that one? I can see breaking that down into a couple of areas. I just wondered what your thought would be on that.

SENATOR HALL: Well, Senator Robinson, the issue is a one-year proposal.

SENATOR ROBINSON: Yeah.

SENATOR HALL: It's a...it's basically a cost for, I guess, having the ability to function as a corporation. I don't think \$150 is excessive and, frankly, I guess it raises the amount of revenue necessary. It was brought to us by the...this is one aspect of the plan that was brought by the business community and so I...I guess,...

SENATOR ROBINSON: Your answer is no.

SENATOR HALL: They're...yeah, you're right.

SENATOR ROBINSON: Okay.

SENATOR HALL: You've got it.

SENATOR ROBINSON: Okay. Do you have any figures on what it would cost the average household, a couple bucks a month or something? Or it wouldn't be very much would it?

SENATOR HALL: On the corporate tax?

SENATOR ROBINSON: Yeah, on the...no, on (d), on the...

SENATOR HALL: On the utilities?
