return the bill to Select File and then support an amendment. Thank you.

PRESIDENT MOUL: Thank you, Senator Hefner. Senator Pirsch.

SENATOR PIRSCH: Senator Hall, I was going to ask you somewhat along the line of Senator Hefner, but I don't know if I dare. The first part of your amendment takes off all motor vehicles.

SENATOR HALL: Yes.

SENATOR PIRSCH: And the reason we are doing that is because they are in the Constitution and they are already being kept under our personal property scheme of today?

SENATOR HALL: That is correct.

SENATOR PIRSCH: And I am glad that you did that because there was a lot of apprehension and concern by particularly the trucking industry. And I like the second part of your amendment because I think we should, indeed, keep the feet to the fire of those who have been exempted, and so I support your amendment.

PRESIDENT MOUL: Thank you, Senator Pirsch. Senator Lowell Johnson, followed by Senator Schellpeper.

SENATOR L. JOHNSON: Madam President, I would move that we recess until 1:30 p.m.

PRESIDENT MOUL: You have heard the motion to recess until 1:30 p.m. All those in favor please say aye. Opposed nay. We are in recess until 1:30 p.m.
