PRESIDENT MOUL: Thank you, Senator Schrock. Senator Elmer.

SENATOR ELMER: Thank you, Madam President. Senator Schrock enjoys representing Farnam. Eustis is in the 38th District that I represent, and that is the reason for the joint sponsorship, since the cooperative schools lie in both districts. Senator Schrock has said it quite well in what a cooperative program that gives more students a chance to work together, a better opportunity, and the congratulations are well in order and I'd ask your support.

PRESIDENT MOUL: Thank you, Senator Elmer. Does anyone else wish to speak to this resolution? Seeing none, we will vote on the adoption of LR 197. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: Madam President, LR 198 introduced by Senator Dierks, found on page 2610. (Read brief explanation.)

PRESIDENT MOUL: Senator Dierks.

SENATOR DIERKS: Thank you, Madam President and members of the body. I am very pleased today to bring a resolution that salutes Spencer, Nebraska on their 100th anniversary as a community in this state. They are a community of just a little less than 600 people. They have become a very active community politically. They probably understand as much about the political process in Nebraska as any other community of its size in the state, and I am very proud of the constituency out there. They do an outstanding job of supporting me, and I think I have tried very hard to support them. I would urge your support of their centennial celebration. Thank you.

PRESIDENT MOUL: Thank you, Senator Dierks. Does anyone wish to speak to this resolution? Seeing none, we will vote on the adoption of LR 198. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.
