**SPEAKER BAACK:** Thank you. Madam President and colleagues, I would like to introduce a couple of special guests of the Legislature this morning. In honor of the 30th anniversary of the United States Senator Youth Program, we have two students from Nebraska who have been selected as the representatives for the state. One of those students is Chantel Livingston from Lewellen, Nebraska, which is in my district, and the other student is Raquel Wright from Maxwell, and they are seated under the north balcony. Would you students please rise and be welcomed by the Legislature. Thank you.

**PRESIDENT MOUL:** Thank you, Speaker Baack. Senator Bernard-Stevens.

**SENATOR BERNARD-STEVENS:** I just wanted to add to what Speaker Baack said, and I noticed even though he is the more senior member as Speaker of the Legislature, he did conveniently forget something. We have some very, very bright individuals, we have some excellent faculty members, counselors and advisors. Get a chance to meet them and it will refresh you as so far as what we are doing with education in the State of Nebraska. Thank you, Madam Chair.

**PRESIDENT MOUL:** Thank you, Senator Bernard-Stevens. I will now recognize Senator Hefner for a motion. Senator Hefner.

**SENATOR HEFNER:** Madam President, I move that the President appoint a committee of five to escort the Governor to the Chamber.

**PRESIDENT MOUL:** Thank you, Senator Hefner. You have heard the motion for the President to appoint a committee of five to escort the Governor. All those in favor of the motion please say aye. Opposed nay. The motion is carried. I now appoint the following senators to escort Governor Nelson to the Chambers for his State of the State Address; Senator Bohlke, Senator Nelson, Senator Chizek, Senator Hefner, and Senator Rogers. I would also like to have the senators' attention to make an
