

January 17, 1992 LB 823A

that when she died she would be here forever watching everything. I want her to know we thank her, we hope that she is...we know that she is much better off where she is so the pain is gone and we thank her for all the assets and all the things she left us and, Nellie, we thank you very much. Madam President, thank you.

PRESIDENT MOUL: Thank you, Senator Bernard-Stevens. We will now proceed with General File, LB 823A.

CLERK: 823A was a bill introduced by Senator Lynch. (Read title.) The bill was introduced on March 11 of last year, Madam President, referred directly to General File. I do have an amendment from Senator Lynch pending.

PRESIDENT MOUL: Senator Lynch.

SENATOR LYNCH: Madam President and members, the amendment provides for the change in dates on the amendment on the legislation to make the operating date effective, appropriately effective as it should because this bill has been a carryover bill.

PRESIDENT MOUL: Thank you, Senator Lynch. Does anyone wish to speak to this amendment? Seeing none, we will now vote on the Lynch amendment. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Madam President, on adoption of Senator Lynch's amendment.

PRESIDENT MOUL: The amendment is adopted. Do you have further opening on the bill, Senator Lynch?

SENATOR LYNCH: Except the, now being considered, Madam President and members of the body, is the A bill. A couple of explanations. This is not a General Fund request. This simply provides for authority for the administration of the Cash Funds. I'd like to explain that depending upon the agency you're dealing with in an adoption process, and by the way, I tried it twice and each time we tried it we found out we were going to have one of our own, so obviously we couldn't get the baby and needed it, but we would have been glad to take more. But in any case, I know that in some...with some agencies there is absolutely no cost. They do it free and some they are rather
