

nonprofit clubs from this bill. Thank you.

SPEAKER BAACK: Thank you, Senator Rasmussen. Further discussion on the advancement? Seeing none, Senator Nelson, do you wish to close?

SENATOR NELSON: I believe we have given this bill all the time that is necessary and justified. I appreciate Senator Rasmussen bringing up those points. In my area, my nonprofits do not sell, as I know, memberships separately. So I am willing to address that if they are in direct competition. It is one membership for the whole facility, so that we can discuss. I just ask for the advancement of the bill. There are plenty of problems out there, and this is maybe being overprotective, but it is not, just simple good rules.

SPEAKER BAACK: Thank you, Senator Nelson. We will now vote on the advancement of LB 226. All those in favor vote aye, opposed vote no. We are voting on the advancement of LB 226, have you all voted? Have you all voted? Senator Nelson.

SENATOR NELSON: I would certainly hate to ask for a call of the house. I will ask for call-in votes, and I don't think I can talk that long. I have talked long enough this morning. If not, I will have to ask for a call of the house, I believe.
