

February 6, 1992 LB 764, 968, 978A

A bill. (Read LB 978A by title for the first time.) That's all that I have, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. Proceed with Select File, LB 764.

CLERK: LB 764, Senator Will, I have E & R amendments pending, Senator.

PRESIDENT MOUL: Senator Will.

SENATOR WILL: Madam President, I move the adoption of the E & R amendments to LB 764.

PRESIDENT MOUL: You've heard the motion to adopt the E & R amendments. All those in favor please say aye. Opposed nay. E & R amendments are adopted.

CLERK: Madam President, the first amendment I have to the bill is by Senator Withem. I understand that, Senator Hartnett, you're going to handle that. AM2488, Senator. (Withem amendment, AM2488, appears on pages 710-11 of the Legislative Journal.)

SENATOR HARTNETT: Madam President, members of the body, this bill was...this amendment to this bill is...was actually heard by the Urban Affair Committee earlier this year, on the 21st of January, was LB 968. And what it does, it deals with the annual statement with the clerk of each sanitary improvement district is required to file annually with the registerer of deeds or county clerk where the county does not have a registerer of deeds. The current statute requires that warrant and bond principle indebtedness information be provided as of the 30th of September of each year. Since this did not conform to the time of the required annual audit to provide the information as a date required a second audit. The bill would amend the statute to require the warrant and bondedness (sic) to be provided as of June 30th. It would also clarify the tax information to be the most recent available, as the date of the report. And it simply...it voted out of the committee with no...no one opposed the bill, and all the committee voted for it. So I'd ask for the adoption of this amendment to the bill.

PRESIDENT MOUL: Thank you, Senator Hartnett. Is there anyone who wishes to address the Withem amendment? Seeing none, we'll
