

February 6, 1992 LB 977, 1105, 1113A, 1168

going to take approximately a half an hour or so to read, so I figure if we come in at eight-thirty, we can get that bill read, and as soon as we're done with Final Reading then we can proceed into the consent calendar. I would like to see us proceed as far as possible through that consent calendar, so that way we can start right at nine o'clock, and we should be able to get through most of the bills on consent calendar. So I would certainly encourage you, if we can, to have 25 people here to start tomorrow morning, right away at eight-thirty so we can...so we can move through this a little more quickly. With that, I move that we adjourn until tomorrow morning at 8:30 a.m.

PRESIDENT MOUL: Do you have items for the record, Mr. Clerk?

CLERK: Madam President, I do. Senator Conway has amendments to LB 977 to be printed. Urban Affairs Committee reports LB 1168 to General File, and LB 1105 to General File with committee amendments attached. And a new A bill, Madam President. (Read LB 1113A by title for the first time.) That's all that I have. (See pages 715-16 of the Legislative Journal.)

PRESIDENT MOUL: Thank you, Mr. Clerk. You've heard the motion to adjourn until 8:30 a.m., tomorrow morning. All those in favor please say aye. Opposed nay. We are adjourned until 8:30 a.m., tomorrow morning.
