

February 7, 1992 LB 473

in other words, they will do some and approve some courses and they won't approve others or they will decide to approve all courses or not? In other words, they are going to say, no, we're not going to approve the courses, in other words, any of them, or do they have discretion that this one we're going to approve, this one we're going to look at? See what I'm asking here? It says, makes discretionary upon electrical board the approval of continuing education courses. Does that mean they...

SENATOR SCHELLPEPER: Well according to the way that it is amended, it says may approve, it doesn't say shall approve.

SENATOR MORRISSEY: Okay, well that's what I'm wondering, will they then say, all right, this one we're going to look at and see if we need to approve it and these here we're not even going to consider?

SENATOR SCHELLPEPER: Well I guess the board could possibly do that.

SENATOR MORRISSEY: Okay, I would ask for some clarification and try to figure that out.

SENATOR SCHELLPEPER: Yeah, Senator Peterson might know more. It's his bill.

SENATOR MORRISSEY: All right. Thank you.

PRESIDENT MOUL: Thank you, Senator Morrissey. Does anyone else wish to address the committee amendments? Seeing none, we'll now vote on the adoption of the committee amendments to LB 473. All those in favor please vote aye, opposed nay. Please record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Madam President, on the adoption of committee amendments.

PRESIDENT MOUL: The committee amendments are adopted. Senator Peterson, for opening on the bill.

SENATOR PETERSON: Madam President and members, I rise to...this bill was brought to me, first brought to me by attention by the Northeast Community College and then Terry Carlson who is State Electrical Division head and Nebraska State Council of
