rules and regulations regarding water utilities, authorize...already exercised but not clearly delineated by the statutes. In Section 42, repeal the misreference to precincts and substitute the sanitary improvement districts or in a corporate area. And, four, in Section 49 clarify the misdemeanor described in Class III and in five; in Section 65 repeal a misreference to precincts and substitute sanitary improvement district. So, with that, I'd just ask for adoption of the amendment.

SPEAKER BAACK: The committee amendments are adopted. We are on the bill as amended. Senator Hartnett.

SENATOR HARTNETT: Mr. President or Mr. Speaker, members of the body, this simply, as I said in my opening, simply recodification of the statutes dealing with MUD. While there...many changes are made, there is no substantial changes. And so it simply puts it all in one section so when a person is looking for anything dealing with MUD you simply have to look at one section of the statutes. And so, with that, I'd ask for the advancement of this bill, 746.
