

February 26, 1992 LB 1063, 1150

SENATOR LAMB: Specifically, Senator Warner, will you make a commitment that you're going to introduce an amendment to remove the sales tax on farm equipment?

SENATOR WARNER: No, sir. But that...I will remind you that I did vote that way in the 3-R Committee.

SENATOR LAMB: Okay, thank you, Senator Warner.

SENATOR WARNER: But I would also assume that someone else might.

SENATOR LAMB: Okay, thank you, Senator Warner. See, that's my problem. You know, that's my problem. LB 1063, there is no commitment on any side that agriculture is going to come out of this anywhere near neutral. Whereas, LB 1150, which is the next bill up if we advance it, those provisions are already in it. So the burden...if 1063 comes up, the burden is going to be on me and some other people to amend it...

SENATOR CONWAY: Time.

SENATOR LAMB: ...to a form that we can possibly support. However, if LB 1150 comes out of the committee, it already has those provisions in there so then it's...it's a burden of someone that doesn't like those agricultural provisions to amend them out. And so that's...

SENATOR CONWAY: Time.

SENATOR LAMB: ...the reason why I'm supporting LB 1150 at this point. I'm not supporting 1063. I might also say that...

SENATOR CONWAY: Overtime. Overtime.

SENATOR LAMB: Overtime? I will punch my light again, Mr. Chairman. Thank you.

SENATOR CONWAY: Thank you. Senator Moore, you're next.

SENATOR MOORE: Well, Mr. President, and members, as I begin, I will apologize in advance if I come uncorked and say some things I regret, because I've been on a slow burn for about the past four hours since I woke up this morning and read the paper. I probably was as angry then as Senator Withem was when the press
