SENATOR HALL: Mr. Speaker, I would be glad to. I move that the body adjourn until Tuesday morning at 9:00 a.m.

SPEAKER BAACK: Before we vote on the motion to adjourn, I would like to just make an announcement that next week we will start full days. On Tuesday, we will start full days, and my plans are that we will work until at least six o'clock every day. We're not going to have this adjourning at four o'clock in the afternoon. We're going to work full days. And possibly next Thursday you might be planning ahead, we may work late Thursday night and we will be continuing on the tax debate. You've heard the motion to adjourn. All those in favor say aye. Opposed no. We are adjourned.
