

years, he was county judge for 25 years, and if you recall, just recently I believe it was on 20/20, his son, George Moyer, Jr., who's a practicing attorney with his father and a number of other attorneys in Madison was on 20/20 where he took a case, pornography case from a local person in Newman Grove to the U.S. Supreme Court, and that is pending. With that I ask for the adoption of this resolution. Thank you.

SPEAKER BAACK: Thank you, Senator Peterson. Senator Dierks.

SENATOR DIERKS: Mr. Speaker and members of the body, I just want to stand also in recognition of George Moyer, Sr., and extend my sympathy to the family. I've known George Moyer for over 30 years. He not only had one of the finest savings and loan institutions in the nation, he was, himself, an institution. He was one of the real characters in Nebraska, will be one of the real characters of Nebraska history. He did make me the loan to buy my first house, and it was just a very interesting experience because he was such a character. I want to add to the sympathy extension to the family of George Moyer, Sr. Thank you.

SPEAKER BAACK: Thank you, Senator Dierks. Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker and members. I also would like to offer my sympathy to the Moyer family. Mr. Moyer was indeed a very unique individual. He lived by the rule that it had to be done right, and it was always done right with him. He was an individual that took the Madison Savings and Loan Company, when it was almost broke, and really made it into quite an institution. He owned a lot of farm ground. But he was a true businessman and a true statesman for Nebraska. So I would also honor Mr. Moyer. Thank you.

SPEAKER BAACK: Thank you, Senator Schellpeper. Senator Hefner.

SENATOR HEFNER: Mr. Speaker and members of the body, I rise to commend Senator Peterson for bringing this resolution to us. I didn't know Mr. Moyer that well, but I wish to express my sympathy to the family. It was over 60 years ago that he served in this body, only at that time it was a two-house system, and he served in the House of Representatives. So he certainly has helped Nebraska in many ways. And I encourage you to support the amendment.
