LB 1063

the dark. So, I asked Mr. Kemper would he provide me with a printout of those schools who, indeed, did lose state aid due to 1063 and 1059. And he said, yes, he would. So, as we advance onward and downward on 1063, as soon as I receive the material I will inform you which schools lose money, state aid due to 1063. Thank you very much, Mr. President...Madam President.

PRESIDENT MOUL: Thank you, Senator Haberman. Senator Moore.

SENATOR MOORE: Madam President, I have a couple questions for Senator Warner, if he'd yield, please.

PRESIDENT MOUL: Senator Warner.

SENATOR MOORE: Senator Warner, continuing a little bit of a dialogue we had last night on this issue, one of the responses on federal changes and how that would affect the amendment we adopted last night, you had responded, and I never had a chance because the question was called, I want you to finish your thought that you had about the...if the federal government, for whatever reason, did something so bizarre or so wrong that we could still...talking about the lifespan as you were talking about, that someone we could change. You said that we could, it would just mirror that, unless it got so bad then we could change it. I guess the question is, who makes that decision, is it the Legislature, or is there not a portion of that amendment that gives the tax commissioner that authority?

SENATOR WARNER: Tax commissioner, as the bill is written.

SENATOR MOORE: The tax commissioner...

SENATOR WARNER: The lifecycle...

SENATOR MOORE: The lifecycle...is it just...

SENATOR WARNER: ...of different types of equipment.

SENATOR MOORE: ...limited to the lifecycle issue?

SENATOR WARNER: The lifecycle issue is the tax commissioner, but it...there's reference, I don't have it right here in front of me, I believe that it should be IRS lifecycle is a guide. There would be a hearing, there would be no basis, in fact, for tax commissioner to use a different lifecycle. But in the event
