LB 306A, 306

amendments on LB 306 on Select File. I don't think there is going to be any problem with 306, unless you simply don't want Lincoln and Omaha to have their water wells protected. I guess I'm going to ask...I'm going to go ahead and not use the technique of having somebody else indefinitely postpone LB 306A in order to lay it over to when there are more people here because I can't believe we're going to play the game this way. And I hope the Legislature hasn't come to that this early in the year. I would ask for the advancement of the bill.

PRESIDENT MOUL: Thank you, Senator Beutler. Does anyone else...Senator Lamb.

SENATOR LAMB: Since I'm feeling magnanimous this early in the morning, I'm going to withdraw that motion or that request.

PRESIDENT MOUL: Withdrawing the request for...

SENATOR LAMB: For a machine vote.

PRESIDENT MOUL: Senator Beutler, do you wish to close?

SENATOR BEUTLER: We'll have plenty of time to argue about this one on Select File, Madam Chairman. Thank you.

PRESIDENT MOUL: Thank you, Senator Beutler. We will now have a machine vote on the motion to advance LB 306A, since we do that at this stage anyway. All those in favor please vote aye, opposed nay. Senator Beutler.

SENATOR BEUTLER: I would like to have a call of the house and a roll call vote and I would like to have all senators summoned to the Chambers.

PRESIDENT MOUL: Thank you, Senator Beutler. We have a request for a call of the house. All those in favor please vote aye, opposed nay. Please record, Mr. Clerk.

CLERK: 15 ayes, 0 nays to go under call.

PRESIDENT MOUL: The house is under call. Would all unexcused senators please return to the Chamber and record your presence. All unauthorized personnel must leave the floor. Would the senators please check in. The house is under call. Senator Hartnett, Senator Hefner, please check in. Senator Robak,
