LB 1063

this bill worse. So, because of that, won't even have to withdraw it and I don't think I will at this point, depending upon what happens. It was my intention to...oh heck, I'll withdraw it. Keep those politicians happy who are concerned about this beautiful piece of legislation, being offended by something as honorable as fair play to people as well as buildings.

PRESIDENT MOUL: Thank you, Senator Lynch. Senator Warner.

SENATOR WARNER: Madam President, members of the Legislature, Senator Robinson laid out one issue very plain. It's one I keep repeating and I'm going to repeat it one more time and that's it. But everything is on now and when I say "everything", that means inventory, farm equipment and livestock at market value. Failure to pass this bill, 1063, means only one thing. If we fail to pass it, by March 31 those forms have to be in. There's 18 days left in the session. Some of you, I suppose, hold out hope that somehow or other something else will happen in these last 18 days. We have like 15 or, as a practical matter, at the most, 16 days to deal with it and a point of no return is really reached probably if we fail to act today. I just hope the body will support the passage of 1063 with the emergency clause so those filing dates are extended, otherwise they're not. I hope that you'll put the constitutional amendment on the ballot in the primary 'cause if you do not then we have a whole new problem of shifting, shifting property tax back on to people who already are paying too much, and I hope you consider that as you push your button.

PRESIDENT MOUL: Thank you, Senator Warner. Senator Robak.

SENATOR ROBAK: I call the question.

PRESIDENT MOUL: Are there sufficient seconds? There are. I will now...we will now vote on the motion to cease debate. All those in favor please vote aye, opposed nay. Have you all voted on the motion to cease debate? Have you all voted? Have you all voted? Senator Withem.

SENATOR WITHEM: ...people to punch in and roll call vote. Call-ins, if it's acceptable.

PRESIDENT MOUL: I will remind the senators we are on Final Reading so the house is under call. Senators, please check in.
