LB 1022  
LR 270

the Hildreth High School state boys basketball team. They won the Class D tournament this past weekend, certainly an excellent team. They have a long tradition in Hildreth High School state champions and a 21 and 1 season. My only observation other than sincere congratulations is that Senator Will is probably very lucky that Hildreth is in the Class D-2. Otherwise his team, the Benson High Bunnies probably would not have been able to win Class A championship if they would have had to play Hildreth this year and so I think Senator Will as that representative should be very lucky. With that I would ask the Legislature to join me in congratulating the Hildreth Greyhounds. Thank you.

PRESIDENT MOUL: Thank you, Senator Kristensen. Does anyone else wish to speak to this resolution? Seeing none, we will now vote on the motion to adopt LR 270. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

And being this is farm week, it's just another little token of appreciation for the senators. So with that I thank you.

PRESIDENT MOUL: Thank you, Senator Beyer. We'll now proceed with General File, LB 1022.

CLERK: Madam President, LB 1022 was introduced by the Speaker at the request of the Governor. (Read title.) The bill was introduced on January 10 of this year. At that time referred to the Appropriations Committee. The bill was advanced to General File, Madam President. I do have Appropriations Committee amendments pending. (See AM3186.)

PRESIDENT MOUL: Senator Moore.

SENATOR MOORE: Thank you, Madam President and members, this
