

March 24, 1992 LB 130, 424, 470, 1272

SPEAKER BAACK: One minute.

SENATOR WITHEM: ...the worst case that we've ever had or that we will have in the future. I think we've had a good discussion. I hope it will cause all of us to pay some attention in the future. I do not want to endanger the passage of this bill at this point, so I will now withdraw this motion.

SPEAKER BAACK: Thank you, Senator Withem. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 424 and LB 470. The next speaker is Senator Schimek.

SENATOR SCHIMEK: I think there's a motion maybe.

SENATOR WITHEM: I'd request that the motion be withdrawn.

SPEAKER BAACK: It is withdrawn. Members, would you please return to your seats so we may proceed with the reading of LB 130. Members, please take your seats so we can proceed. Mr. Clerk, LB 130.

CLERK: (Read LB 130 on Final Reading.)

SPEAKER BAACK: All provisions of law relative to procedure having been complied with, the question is, shall LB 130 pass? All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.

CLERK: (Read record vote as found on pages 1533-34 of the Legislative Journal.) 38 ayes, 1 nay, 5 present and not voting, 5 excused and not voting, Mr. President.

SPEAKER BAACK: LB 130 passes. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 130. We'll now proceed to Item 6 on the agenda, and LB 1272.

CLERK: Mr. President, LB 1272 was discussed yesterday by the Legislature. Senator Lamb has the first motion pending, Mr. President, and that motion is to indefinitely postpone the bill. Senator Ashford laid the bill over pursuant to the filing of that motion yesterday.

SPEAKER BAACK: Senator Lamb.
