

March 25, 1992 LB 1099

SENATOR WARNER: Senator Schimek.

SENATOR SCHIMEK: Yes, Mr. Chairman and mem...or Mr. President and members of the body, I just rise in support of this concept and the committee amendments. I, too, like Senator Withem, visited the booth about this program in Orlando last summer and picked up also a model bill and was real interested, I was really interested in the idea but, frankly, had too much on my plate already this session and so I didn't choose to take it up. I didn't know that Senator Withem was going to do it, but I am glad that he did. I think it's a program that is very worthwhile. It has a very...it has a relatively small fiscal note attached to it and I don't know how anybody on this floor wouldn't be happy to support it. Thank you.

PRESIDENT MOUL PRESIDING

PRESIDENT MOUL: Thank you, Senator Schimek. Is there anyone else who wishes to speak to these committee amendments? Seeing none, do you have closing, Senator Wesely?

SENATOR WESELY: Thank you, Madam President. Again, this amendment deals with the question of the leave provisions of the bill and clarifies those and also the sending of names to the registry. Ask for adoption of the committee amendments. Thank you.

PRESIDENT MOUL: Thank you, Senator Wesely. We'll now vote on the motion to adopt the committee amendments to LB 1099. All those in favor please vote aye, opposed nay. Have you all voted on the committee amendments? Senator Withem.

SENATOR WITHEM: Yes, I would reluctantly ask for a call...I would reluctantly ask for a call of the house and would accept call-in votes.

PRESIDENT MOUL: Thank you, Senator Withem. We have a request for call of the house. All those in favor please vote aye, opposed nay. Please record, Mr. Clerk.

CLERK: 15 ayes, 0 nays to go under call, Madam President.

PRESIDENT MOUL: The house is under call. Would all unexcused senators please return to the chamber and record their presence.
