LB 573, 1063A

encourage that and, I guess, express some...as much support as I can for what's happening. I'm not sure how far they intend to go and I suppose it's not relevant at this particular point since this is a...certainly a major first step, but I would hope, Senator Bernard-Stevens, that in the future they would also take a look at the existing representation and, as you well know, there's one county that has three members on the board but no irrigation systems within the county. So I think that part of it needs to be looked at too, but I don't want to take anything away from what is...what is, I believe, an excellent beginning to looking at things. Thank you.

SPEAKER BAACK: Thank you, Senator Beutler. You've heard the closing on the amendment to LB 573. We'll now vote on that amendment. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

ASSISTANT CLERK: 28 ayes, 0 nays on the adoption of the amendment.

SPEAKER BAACK: The amendment is adopted. Motion to readvance, Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Move to readvance LB 573 to E & R Final.

SPEAKER BAACK: You've heard the motion to readvance LB 573. All those in favor say aye. Opposed no. It is readvanced. We will now proceed on the agenda to Item 9 with LB 1063A. Senator Hillman, you would like a point of personal privilege, excuse me.

SENATOR HILLMAN: Yes, I would. I would like the members of the body, if they would, to realize on this April 1, April Fool's Day, I think we're all very fortunate to have something special happen and I'm not sure how many years ago it was, but for me it means I've made a new friend, we have a new colleague and I would ask you to join me today in saying happy birthday to Senator Jessie Rasmussen.

SPEAKER BAACK: I think I missed it. How old did you say she was? Senator Rasmussen.

SENATOR RASMUSSEN: I am a fabulous 47.
