LB 78, 1001, 1092, 1241A

you didn't have so many names, David...Senator Bernard-Stevens' amendment to this bill. Look at passing both of them so we can get down to doing some good problem solving and taking care of an issue that I do not believe LB 78, in its present form, will do. I don't think it will really solve any problems. I don't think it will take care of any issues that most of us would like to and it most certainly, I don't believe, would prevent any of the things that are going to happen in the future in abortion-related issues.

SPEAKER BAACK: One minute.

SENATOR HILLMAN: So what I would like to have us do is to pass this amendment, form the task force and then also support the resolution. With that, I would ask you to support the amendment. Thank you.

SPEAKER BAACK: Thank you, Senator Hillman. You've heard the closing on the amendment to the Bernard-Stevens amendment by Senator Hillman. We will now vote on that amendment to the amendment. All those in favor vote aye, opposed vote no. Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Oh, just to save time, we'll go ahead just have a roll call vote, regular order.

SPEAKER BAACK: A roll call vote has been requested. It has been requested, we will now have a roll call vote in regular order. Members, please keep your conversations down so we may hear your responses. Mr. Clerk, call the roll.

CLERK: (Roll call vote taken. See pages 1871-72 of the Legislative Journal.) 24 ayes, 18 nays, Mr. President.

SPEAKER BAACK: The amendment to the amendment is adopted

CLERK: Mr. President, may I read some items.

SPEAKER BAACK: Items for the record. I would raise the call.

CLERK: Mr. President, amendments to be printed to LB 1092 by Senator Ashford; Senator Peterson to LB 1241A; Senator Wickersham to LB 1001. (See pages 1872-76 of the Legislative Journal.) I have a Reference Report from Reference Committee referring study resolutions, Mr. President.
