LB 719A, 829

have...had the body had time for another consent calendar, it would have been clearly a candidate for that, although that would have been clearly the Speaker's decision. But it would have been something that would have been...fit that type of definition. Although I do have to admit I don't...Senator Haberman was not present at the time that the vote was taken, so I can't speak for him. But it was a proposal that...it's a little more than a technical change. It clarifies the provision with regard to the surcharge as it does relate to the partnerships. And I would urge that it be amended into the bill.

SPEAKER BAACK: Thank you, Senator Hall. Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker and members. I also rise to support this amendment. I think when we passed LB 829, we never had any intention of doing what is accomplished here, or what did happen. And so I think this just clears up some of the language that...as we find as we get into some of these bills that are major tax problems that we have in this state, and we don't realize, until it's actually too late. And some of the companies that operate outside of Nebraska, and the CPAs have been having a lot of problems with this. So I think it's a very good amendment, and it helps clear up a problem that we have at the present time. Thank you.

SPEAKER BAACK: Thank you, Senator Schellpeper. Senator Hefner.

SENATOR HEFNER: Mr. Speaker and members of the body, I would like to ask a question of Senator Crosby.

SPEAKER BAACK: Senator Crosby, would you respond, please.

SENATOR HEFNER: Senator Crosby, as I understand it, some of these people have already filed their income tax. Now, if we pass this, will they be getting a credit back?

SENATOR CROSBY: Well, that's a difficult question for me to answer. That has to do with partnerships and people who have...I'm not sure that anybody's going to go back and get credit. I think it was just that this year...

SENATOR HEFNER: Okay. Maybe Senator Hall who...

SENATOR CROSBY: They can file...they can file an amended return
