SENATOR CONWAY: One minute.

SENATOR SCHMIT: ...until it's after the fact. And I don't...I think it is totally wrong. I think that we have...that 1063 is replete with such examples as it stands and we should not try to add to that at this time. I don't know where you're going to get the money. I just think that you're going to be out of money anyway and you're going to be forced into a very serious budget cutting procedure and I think this is wrong. I think we ought to forget the thing, go back to the old \$13 fee and be done with it. Thank you very much.

SENATOR CONWAY: Thank you, Senator Schmit. Before we move on, I would like to announce that we have guests of Senator Dierks in the south balcony. We have 50 fourth graders from the Neligh-Oakdale school system. Will they please stand and be recognized by your Legislature. Thank you for coming today. Next we'll move to Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, I have a couple of questions for Senator Landis, if he will yield.

SENATOR CONWAY: Senator Landis.

SENATOR LANDIS: Yes.

SENATOR HEFNER: Senator Landis, did you pass out a chart telling us how you changed these?

SENATOR LANDIS: Yes.

SENATOR HEFNER: Oh, when did you...

SENATOR LANDIS: Been on your desk for since either late last night or this morning.

SENATOR HEFNER: Okay, I can't find mine, but...

SENATOR LANDIS: Well, you know, that's not my fault.

SENATOR HEFNER: No, I know.

SENATOR LANDIS: If you don't have a clean desk, that's your own problem.
