Mr. President, the next amendment I have to the Warner amendment is by Senator Robinson. (The Robinson amendment appears on pages 1931-33 of the Legislative Journal.)

SPEAKER BAACK: Senator Robinson.

SENATOR ROBINSON: Mr. President and members of the body, this is a...originally a bill, LB 996, a bill that Senator Cudaback, Senator Elmer and myself brought for the Educational Service Units. There is presently a small number of school districts who choose not to belong to an Educational Service Unit and whose property is not taxed for that purpose. Now some of these school districts have expressed an interest in rejoining a unit. The proposed change would require the school district property to be assessed with the levy currently requested by the ESU unit. And, basically, that's what the bill is that...it came out of committee six to nothing. Also, there's another small part to it, is when a school district dissolves, with that property moving to one or more new ESU units then that property would be taxed by the ESU units and I would urge your adoption of the amendment. Thank you.
