good goal, and for that reason, I generally rise to support my Chairman.

SPEAKER BAACK PRESIDING

SPEAKER BAACK: Thank you, Senator Landis. Senator Wickersham.

SENATOR WICKERSHAM: Mr. Speaker, I would ask that the question be divided, and if Senator Hall will assist me, I believe that we should divide out from Section 161 to 122 (sic). My intention is to divide out LB 1244.

SENATOR HALL: Mr. Speaker.

SPEAKER BAACK: Yes.

SENATOR HALL: The division is not a problem at all, and I believe Senator Wickersham has...well, could you...Jim, what was that...excuse me, Bob, what was the...169?

SENATOR WICKERSHAM: 161 to 16...

SENATOR HALL: I believe the correct...

SENATOR WICKERSHAM: 161 up to 222, it would be to page 37, line 4.

SENATOR HALL: Correct, that would be the...

SENATOR WICKERSHAM: That would be all the contents of LB 1244.

SENATOR HALL: That is correct.

SENATOR WICKERSHAM: Okay.

SPEAKER BAACK: That is clearly divisible along that line.

SENATOR HALL: If I have the option, I would choose to take the first two sections, that being the cabin trailer bill and the sector analysis proposal first.

SPEAKER BAACK: We will do that first.

SENATOR HALL: And then come back to the assessor provision.
