LB 719A

SPEAKER BAACK: We will definitely do that first.

SENATOR HALL: Okay.

SPEAKER BAACK: Okay, on the first section of the amendment, Senator Hefner, did you wish to speak to that first section? Mr. Clerk.

CLERK: I just want to be sure, Mr. Speaker. Senator Hall, Section 161 through 222? Okay. Okay.

SENATOR HALL: (Mike off) yes, Mr. Clerk.

CLERK: 161 through 221.

SENATOR HALL: Correct, well, it is not listed as 221.

CLERK: Okay.

SENATOR HALL: No, the problem is that it goes from 161 to 169 on page 35, and then goes over to 77-425 on page 36. It would include all of that, and then the balance of that section on lines 1 through 3 on page 37.

CLERK: But it includes all the material in between those?

SENATOR HALL: That is correct.

CLERK: Okay.

SENATOR HALL: That is correct.

CLERK: Thank you, Senator.

SPEAKER BAACK: Okay, now that we have the correct division, we will speak...we will deal with the first part of the amendment. Now, Senator Hefner, you did not wish to speak to that? Senator Hefner.

SENATOR HEFNER: Mr. Speaker and members of the body, Senator Hall, maybe you could help me out a little bit, but...

SPEAKER BAACK: Senator Hall.

SENATOR HALL: Yes.
