SPEAKER BAACK: Yes, Madam President and colleagues. We do need to deal with a motion that we have up there in front of us. We are going to continue with 719A in a minute, but Senator Coordsen has a motion that we need to deal with today that calls for a rules suspension. We need to do that right now while we have enough people here.

PRESIDENT MOUL: Senator Coordsen.

SENATOR COORDSEN: Thank you, Madam Chairman, members of the body, early this morning, I was notified by the Governor's Office of three appointments to the Boiler Safety Code Advisory Board. We need to suspend the rules to allow me to hold a public hearing this next Monday morning at one-thirty in order that we could get the hearing accomplished...Monday morning. (Laughter) Oh, well, it seems like we are here that many hours, doesn't it? Monday afternoon at one-thirty in order to get the confirmation report back to the body of the Legislature before we adjourn. So I'd encourage your adoption of the suspension motion. Thank you.
