LB 719A, 1063

to the 13th of March. That is what happened. The judgment you need to make is whether this approach, which I believe will result in no lawsuits, whether this approach gives greater stability for funding of local...

SENATOR WARNER: ...government, or if you choose, and there are a number of amendments or some amendments proposed, not to follow this and make some adjustments which, in all probability, will end up being litigated, and then the option of local governments having shortfalls in their...

PRESIDENT MOUL: Time.

SENATOR WARNER: ...local receipts would exist.

PRESIDENT MOUL: Thank you, Senator Warner. Before we proceed, I would like to call your attention to the south balcony. Special guests today of Senator Bohlke are 10 grades three through sixth students at Ayr Public Schools in Ayr, Nebraska, and their teacher. Would you please rise and be recognized? Welcome to the Chamber. Mr. Clerk, amendment on the desk.

ASSISTANT CLERK: Yes, Madam President. Senator Moore would move to amend the Warner amendment. That is found on page 1841. (See AM3918.)

PRESIDENT MOUL: Senator Moore.

SENATOR MOORE: Madam President and members, this amendment, as the Clerk mentioned, found on page 17, is that what, 1730?

ASSISTANT CLERK: 1841.

SENATOR MOORE: 1841, okay, found on 1841, quite simply would bring all public service utilities in under the same amendment as Senator Warner's amendment, and then therein lies treating all centrally assessed companies that have historically been centrally assessed by the State of Nebraska, treating them the same in some uniform manner. The only reason I bring this amendment forward is is that, you know, I did mention something about Senator Warner about doing some things before. This, Senator Warner's amendment is something I don't think we ever heard about until LB 1063 had passed, so that was previous
