PRESIDENT MOUL: Thank you, Mr. Clerk. Speaker Baack.

SPEAKER BAACK: Madam President and colleagues, I might make an announcement. You will find on the agendas as they come out, we are going to start at eight o'clock on Monday morning because we will be reading the budget bill, and we do need 30 people to show up as quickly as possible, around eight o'clock, because we do have to suspend the rules to read that because it'll only have a one-day layover rather than two. So we will need a rule suspension before we are able to read the budget bill. Next week is you can plan on working late every night next week, and by Tuesday night next week, we need to be off General File, and by Thursday night next week, everything has to be passed that is going to be passed and back to us before we adjourn on Thursday night next week. We are getting right down to the end and we have lots to do yet. So with that, I'd move that we adjourn until Monday morning at 8:00 a.m.

PRESIDENT MOUL: You heard the motion to adjourn. All those in favor please say aye. Opposed nay. We are adjourned until 8:00 a.m., Monday morning.
