

Mr. Clerk.

ASSISTANT CLERK: Mr. President, the next amendment I have is from Senator Wesely. Senator Wesely is excused until he arrives. Next amendment I have is from Senator Warner. Senator, this is AM4044. (Warner amendment appears on pages 1962-63 of the Legislative Journal.)

SPEAKER BAACK: Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, this is an amendment that was brought to me this morning from E & R. It affects the Hall amendment that was adopted Friday as well as the Crosby amendment. As it was described to me it was a little more of an adjustment than would be an E & R. It is no substantive change and the Hall amendment the wording of, the old wording, existing statute wording is the following classes of personal property shall be exempt and it spells out the items in the new reading would just simply say the following property shall be exempt and the Crosby amendment there is a couple of sections apparently that was omitted which again only applied to the, as you recall Senator Crosby's amendment only applied to 1992 surcharge and I'd move their adoption, they're, as explained to me at least, they're technical amendments from E & R that they felt was something slightly more than just a pure E & R amendment. Makes no substantive change in the effect or the purpose or the intent of the amendment as offered by Senator Hall and Senator Crosby and I move its adoption.

SPEAKER BAACK: Thank you, Senator Warner. Discussion on the amendment offered by Senator Warner. Seeing none, Senator Warner, do you wish to close? He waives closing. We will now vote on the amendment by Senator Warner. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the adoption of Senator Warner's amendment.

SPEAKER BAACK: The amendment is adopted. Before we proceed any further I would like to introduce some guests today under the south balcony. They are guests of Senator Schrock. We have Mr. and Mrs. George Kellogg, Mr. and Mrs. Carol Peterson, and Mrs. Edwin Imm. Would you folks please stand and be welcomed by the Legislature. Thank you for being with us. We are now on the bill itself and for advancement. Senator Warner.
