LB 1092

might take a look at that between now and Select File before I become comfortable solely because of time to go back and look at why we did what we did, and what some of the pros and cons are with it because it has probably been a couple of months since I looked at that. And my impression is I probably will not support this at that point in time. I wouldn't put that though as that I'd work hard against that. I am just not to the point where I am comfortable doing that without going back and reflecting on why that was different than what the committee put out to do that. You can have the rest of my time, if you want to talk to the people about that.

SENATOR LINDSAY: Thank you. If I could just respond, I think there is a miscommunication here. We...this, as amended, or as provided to LB 1092 is as came out by the committee, or is as put out by the committee. The committee suggested that it be any county board, and that is how...that is how this amendment is drafted.

SENATOR KRISTENSEN: Then I did misunderstand you because I thought you made the reference to me that it was only drafted to Douglas County.

SENATOR LINDSAY: The original bill was only drafted to Douglas County.

SENATOR KRISTENSEN: Yes. .

SENATOR LINDSAY: The amendments, these are done as your committee put out.

SENATOR KRISTENSEN: If they are done as the committee puts out, I have no problem with them. But as you explained it, I was getting confused as to what you were doing.

SENATOR LINDSAY: No, and I may have misspoke. As I say,...

SENATOR KRISTENSEN: Okay.

SENATOR LINDSAY: As you were speaking, I caught that, that...

SENATOR CONWAY: One minute.

SENATOR LINDSAY: ...you thought I had introduced it the other way. No, this amendment has it going to any county just as the
