

what I told Senator Schellpeper is that I have one other amendment that I will try on this bill with the knowledge that the Governor and others may try to strip them off on Select. But in order that he'll have a chance to move his bill, I won't offer any more amendments in the county portion of the bill. I told him, and he agreed, that I would make my attempts on those fees on Select File. So he knows that the only thing that I'm agreeing to do here as far as my offering of amendments is to see if this one will be adopted and if the next one will be and he agrees to do that. When the next one comes up I will explain it, but on this one it would allow an increase in the driver's license fee from ten to \$14.00 instead of ten to \$16.00 and I still think that is too high an increase but this is one of those times I'm trying to wiggle with those who are trying to wiggle for their purposes.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, I will be very brief with this amendment.
