

again, or does it only make the adjustments that have been made to the law? And, as Senator Withem pointed out, does it...if a referendum were to be held and the seat belt law was to be repealed, would the helmet law be repealed or would only the chin strap and the fines and the requirements for the helmet be repealed?

SENATOR MOORE: That's a question.

SENATOR WARNER: Senator Moore.

SENATOR MOORE: I believe the referendum laws allow you to repeal any or all sections of a bill and so, like I said, I'm not going to be out trying to repeal the law. I'm going to...if you adopt my amendment, I'll vote for the amendment on Select File, I'll vote for the bill on Final Reading and I will not sign a petition to repeal the whole thing and I'll tell people not to repeal the law. But those, if they want to do it, I'm only supposing it because I'm not involved in that, they certainly could draft their referendum to not repeal the repealer clause.

SENATOR HORGAN: Okay. Well, I would...my only comment would be, you know, that I think it's confusing. I think putting this amendment into this bill is extremely confusing to the public, it's confusing to the body, and it's going to...it's going to take two groups, the ABATE group,...

SENATOR WARNER: One minute.

SENATOR HORGAN: ..who don't like motorcycle helmets, and the CAMS group, who don't like seat belts, and give them some type of a joint project to which they can go out and I...and I think there is some confusion as to exactly what it is they would be able to do, but I don't believe that the seat belt law should be dealing with the chin strap on the helmet on motorcyclists and some of these other fines and things and I would simply encourage the body to reject Senator Moore's amendment.

SENATOR WARNER: Senator Chambers.

SENATOR CHAMBERS: Mr. President and members of the Legislature, I wasn't going to speak on this until I heard the last discussion, and I'm not sure if I understand what Senator Withem meant or what Senator Horgan meant, but I'm going to say what I
