LB 958

really...

SENATOR WARNER: Time.

SENATOR LYNCH: ..no problem with the uniformity of the fines. I'll put my light on again.

SENATOR WARNER: Senator Withem.

SENATOR WITHEM: Yes, I'm becoming more and more confused. Part of my confusion was created by my remarks previous I think and I made the mistake of listening to them. I want to follow up, I want to get an exact understanding of the line of questioning between Senator Moore and Senator Lynch. Senator Moore, does your Amendment 3598 contain a repealer clause?

SENATOR MOORE: Yes, as...yes.

SENATOR WITHEM: And what does it repeal?

SENATOR MOORE: It repeals the motorcycle helmet statute. It's amended.

SENATOR WITHEM: But excuse me, does it repeal the entirety of the motorcycle helmet law that was passed by Senator Lynch a few years ago?

SENATOR MOORE: I believe so.

SENATOR WITHEM: Okay, well, that wasn't what...that was not the response I heard you give to Senator Lynch. I heard you give the response that it only repeals...that it only repeals the portion dealing with chin straps and other items. I mean, it's a fairly key point here to understand this.

SENATOR WARNER: Senator Moore, yield?

SENATOR MOORE: Why don't I get the statute book out and look at it...

SENATOR WITHEM: Okay.

SENATOR MOORE: ..because I (inaudible).

SENATOR WITHEM: Okay.
