LB 958

SPEAKER BAACK: The amendment fails.

CLERK: Mr. President, the next motion I have is by Senator Hefner. He would move to reconsider the Lamb amendment.

SPEAKER BAACK: Senator Hefner.

SENATOR HEFNER: Mr. Speaker and members of the body, I move that we reconsider the amendment that was offered by Senator Lamb. I apologize for not being here. I went to my office to make a phone call and by the time I got back, why the vote was over with. I think that if we...

SPEAKER BAACK: I don't think they believe you, Elroy.

SENATOR HEFNER: Well, at least I tried anyway. But anyway, no, I'm serious about this motion because I think it's a real good, it's a real good motion because I have been supporting this bill but I have been getting calls from some of the farmers and says that it really does cause a hardship when they are in and out of their pickup running from field to field and also these farmers that have these grain trucks and I thought that maybe if we reconsider this motion and adopt this amendment, the Senator Lamb amendment, well, maybe Senator Chambers would even want to help the farmers out. And I know that we could get some, perhaps, just maybe we could get some rural votes, some more rural votes to support this amendment. I don't want to take too much time but I do want to take a vote on the reconsideration motion for the Lamb amendment. Thank you.

SPEAKER BAACK: Thank you, Senator Hefner. Senator Morrissey.

SENATOR MORRISSEY: Oppose reconsideration unless you want to amend it to say when I go down town to the bank, the post office, the lumberyard and the drug store I don't have to wear mine. Thank you.

SPEAKER BAACK: Senator Robak.

SENATOR ROBAK: I don't want to wear mine to the golf course either. Can I put that on there too?

SPEAKER BAACK: Senator Horgan. Senator Crosby, on the reconsideration motion.
