the Jail Standards Board also provides this oversight for these
juvenile detention centers which would address the construction
and the maintenance and the oversight of those particular
facilities as well so it adds those in.   Like I say, it came out
of the committee on a 7 to 0 vote.   It was strongly supported by
the Crime Commission, by Voices for Children, and other people
concerned with the housing and the detention centers as making
sure that there are certain standards that they are adhered to
as well as providing inspection and compliance with these
standards.   So with that, I offer the adoption of what in
essence is LB 1046 as an amendment to LB 1184.

SPEAKER BAACK: Thank you, Senator Conway.   Any discussion on
the amendment offered by Senator Conway? Seeing none, do you
wish to close, Senator Conway?

SENATOR CONWAY: I'll waive.

SPEAKER BAACK: He waives closing.   We will now vote on the
amendment offered by Senator Conway.   All those in favor vote
aye, opposed vote no. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator
Conway's amendment.

SPEAKER BAACK: The amendment is adopted.

CLERK: I have nothing further pending to LB 1184 at this time,
Mr. President.

SPEAKER BAACK: Discussion of the advancement? Senator Schmit,
did you wish to discuss the advancement?

SENATOR SCHMIT: Mr. President and members, I want to commend
Senator Rasmussen and Lindsay and Hartnett, those individuals
that have spent a lot of time on this bill. I believe that this
bill is a major step forward in the manner in which the State of
Nebraska and its subdivisions treat children who are victims of
child abuse. One of the most interesting things that I have
learned in recent years is that many times child abuse victims
are never identified because the investigative process is flawed
from the beginning. I visited a number of other states, law
enforcement officers, individuals who worked at the Federal
Bureau of Investigation, and department of sheriff's offices
across the United States and found it interesting that when a
