LR 446

in favor of voting for this. I just wonder, I would inquire of the presiding officer if there'd be some manner rather than all of us rushing up to sign on, if we could offer some amendment to add everyone's name as a cosponsor. I recall having done that in the past but forget what the mechanism is.

PRESIDENT MOUL: Senator Withem, would you care to ask for unanimous consent that all members' names be added?

SENATOR WITHEM: I would ask for unanimous consent that all members of the body's names be added as coinroducers of this resolution.

PRESIDENT MOUL: If there are no objections, it will be so ordered. Does anyone else wish to speak to the motion to suspend the rules? Seeing none, we will now vote on the motion to suspend the rules. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 37 ayes, 0 nays, Madam President, on the motion to suspend the rules to permit consideration of LR 446.

PRESIDENT MOUL: The rules have been suspended. Senator Lamb, do you have opening on the resolution, itself?

SENATOR LAMB: Thank you, Madam Chair. Just very briefly, John Rochford was certainly a good friend of mine and I know a good friend of everyone in the body. He was one of those objective, or he is one of those objective, knowledgeable people, very helpful, a dedicated public servant who has been in both Republican and Democratic administrations, and he is one of the people that really has a vast pool of information, and we are hopeful that John's recovery is soon and complete.

PRESIDENT MOUL: Thank you, Senator Lamb. Senator Schimek.

SENATOR SCHIMEK: Yes, Madam President and members of the body, in order to make this a nonpartisan effort and a rural-urban effort, I would just second the motion. Thank you.

PRESIDENT MOUL: Thank you, Senator Schimek. Does anyone else wish to speak to this resolution? Seeing none, we will now vote on the motion to adopt LR 446. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.
