SPEAKER BAACK: Yes, Madam President, again, I have had some more questions come up, and I will say that, you know, tomorrow the day is being set aside so that the Revenue Committee can do their work, and also the Revenue Department will be meeting at one-thirty I think in Room 1517 and they will be giving a briefing to senators and staff at that point about what this recent opinion of the Supreme Court does, and what the implications are and what their plans are as far as implementation of this opinion coming this year. So that is to be done tomorrow, and hopefully everyone will be working on this issue and looking at this issue, talking to the Revenue Committee. Senator Hall, I am sure, will be around today working on this issue, and we need to all be working on the issue because we need to come up with a solution if we can. So with that, I would move that we adjourn until Friday, July 12th at 1:00 p.m.

PRESIDENT MOUL: Thank you, Mr. Speaker. You've heard the motion to adjourn. All those in favor please say aye. Opposed nay. We are adjourned until Friday afternoon at 1:00 p.m.
