

able to have economic development in Omaha and Lincoln and the rest of the state, we need to have the ability to handle tangible personal property as we see fit. And I hope that enough of you will agree so that we can pass the constitutional amendment, and the question...and put the question to the people. Whether we put it all back on, or whether we take it all off, or whether we leave part of it on and take part of it off is something that can be settled by future sessions. But let's go ahead and get the job done now. Thanks.
