LB 6

SENATOR HALL: I like the country western group, though, that was a pretty good answer, frankly.

SENATOR HABERMAN: What about on the...

SENATOR HALL: A band of turkeys, I don't know what it is.

SENATOR HABERMAN: On page 45...

SENATOR HALL: Okay.

SENATOR HABERMAN: ...line 15, 16, 17, and 18, grain shall mean wheat, corn, barley, oats, rye, flax, field peas, popcorn, dry edible beans, soybeans, grain sorghum, and such other grains as are usually stored in grain elevators. What happens if it is stored on the farm?

SENATOR HALL: I guess it would apply. I don't see where it would be exempted from that. It says, and such other grains as are usually...usually stored in grain elevators. It would be...maybe there is something that is left off of this list that is usually stored in elevators that would apply, and this leaves an out there so that they could be included.

SENATOR HABERMAN: Okay. Page 52.

SENATOR HALL: Can you tell me something, Senator Haberman?

SENATOR HABERMAN: Pardon.

SENATOR HALL: On line 6, you said oats, rye, and you skipped over that kaffir, what the heck is that?

SENATOR HABERMAN: I am not going to tell you.

SENATOR HALL: Okay.

SENATOR HABERMAN: Page 6, line...or page 52, line 6,...

SENATOR HALL: Okay.

SENATOR HABERMAN: ...a bond in the amount of \$10,000 running to the State of Nebraska, I don't understand what running to the State of Nebraska means?
