

August 6, 1992 LB 9

canvassing, recounts, challenges, and all of the other things that are in law.

SENATOR ABOUD: Okay, thank you.

SPEAKER BAACK: Thank you, Senator Abboud. Senator Robinson.

SENATOR ROBINSON: Mr. Speaker and members of the body, just a couple of comments on what Senator Crosby was saying. We've got to come to the realization someone is going to lose. Someone is going to get shut out. If...talked about the two people up north, they're either going to lose now or if nothing happens and we go into the next session, then we're going to have...we'll probably end up and we're going to have another Ed Schrock and we're going to have another Richard Peterson. We're going to have someone else get beat out of their seat. So you've got to come to the realization someone is going to lose out, folks. And if you're...I think someone mentioned, if you're an even-numbered senator, why do we want to move it on to the next...why do we want to move it on? I think we want to give it...I think in this whole process the number one rule is save thyself. We all know it. We're not kidding anyone. Save thyself. But let's face it, we're going to get rid of someone whether it's two people up by South Dakota someplace or whether it's another Senator Schrock or another Senator Peterson, it's going to happen. We might as well come to that realization. Thank you.

SPEAKER BAACK: Thank you, Senator Robinson. Anyone else wishing to speak to the advancement of LB 9? Seeing no one, Senator Conway, do you wish to close on the advancement of LB 9?

SENATOR CONWAY: I'll just waive.

SPEAKER BAACK: He waives closing. We will now vote on the advancement of LB 9. All those in favor vote aye, opposed vote no. We're voting on the advancement of LB 9. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 9.

SPEAKER BAACK: LB 9 is advanced. Do you have items for the record, Mr. Clerk?
