might say that tomorrow will probably be a fairly full day, because we're going to have Final Reading, plus we're going to have some confirmation reports to do tomorrow. So it will probably be a fairly full day of work tomorrow. So, be ready for that. Senator Chizek, would you like to adjourn us until tomorrow morning at 9:00 a.m.

SENATOR CHIZEK: Move that we adjourn until...what is tomorrow, the eleventh, twelfth, eight/twelve, at 9:00 a.m.

SPEAKER BAACK: You've heard the motion. All those in favor say aye. Opposed no. We are adjourned.
