

SENATOR WARNER: Madam President, I move the suspension of Rule 6, Section 7, to read those bills on Final Reading today that would not have met the rule requirement of two days on the desk, but does meet, obviously, the constitutional requirement of one day. So I would move the adoption of the rule suspension in order to read those bills on Final Reading.

PRESIDENT MOUL: Thank you, Senator Warner. You've heard the motion to suspend the rules. Is there anyone who wishes to speak to this motion? Seeing none, we will now vote on the motion to suspend the rules. All those in favor please vote aye, opposed nay. Please record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Madam President, on the suspension of the rules to permit Final Reading today.

PRESIDENT MOUL: The motion to suspend the rules is adopted. We will now proceed with Item 5 on the agenda which is Final Reading. I would request that the senators all return to their seats so we can proceed. Would the senators please be seated so we can proceed. Thank you. Mr. Clerk.

CLERK: Madam President, a motion on the desk. Senator Moore would move to return LB 1 to Select File for a specific amendment, the purpose being to strike the enacting clause.

PRESIDENT MOUL: Senator Moore.

SENATOR MOORE: Madam President and members, the reason I rise and speak briefly at this time is that my opposition to LB 1063 and Amendment 1 and LB 1 has been well documented. You remember back during the regular session when I introduced a resolution saying that what trans...what has transpired did transpire, we needed a special session. And you remember that the actual Attorney General's Opinion that the Governor has based this special session on was based on a request that I, myself, had made. Having said all that, obviously, I thus far have voted no on LB 1 but the fact is that it really seems moot at this point in time to hold up the bill. I will probably plan on not voting but if, because of a lack of numbers, there needs to be 33 votes, it really makes no purpose, in my opinion, if I wanted to play games which somebody accused me of doing with LB 3, I would have done it on LB 1. But I think it's...I have said time and time again this body's duty is to come back, reenact the law
