SENATOR CHAMBERS: ...before I came along.

SPEAKER BAACK: Thank you, Senator Chambers. Senator Moore.
Senator Chambers.

SENATOR CHAMBERS: I'd like to ask Senator Moore a question
because he has something on his mind.

SPEAKER BAACK: Senator Moore.

SENATOR CHAMBERS: Senator Moore, I don't know what you were
going to say, but I listen to you probably much more carefully
than you realize.

SENATOR MOORE: Senator Chizek punched my button so.

SENATOR CHAMBERS: Oh. I'm going to ask you a question anyway.

SENATOR MOORE: Okay.

SENATOR CHAMBERS: Are you glad that we get a per diem?

SENATOR MOORE: Yes.

SENATOR CHAMBERS: Okay, so am I, so am I.

SENATOR MOORE: But I live within 50 miles so my per diem is not
as big as your per diem.

SENATOR CHAMBERS: Are you glad that you get what you get?

SENATOR MOORE: Yes.

SENATOR CHAMBERS: Would you rather not get anything since yours
is not as much as mine?

SENATOR MOORE: I'm still glad that I get something.

SENATOR CHAMBERS: Okay. Are you glad that I was in the
Legislature and fought to override a veto and get it in court so
that we could get it?

SENATOR MOORE: I've always been glad you were in the
Legislature, Senator Chambers.
