

October 1, 1992 LR 3, 5

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of LR 3.

SPEAKER BAACK: LR 3 passes. We will now go to LR 5.

CLERK: Mr. President, LR 5, introduced by Senator Coordsen, found on page 149 of the Journal. (Read brief summary of resolution.)

SPEAKER BAACK: Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. Speaker, members of the body. This past Monday the husband of former Senator Shari Apking passed away in Alexandria, Egypt, at a relatively young age. For those of you that don't remember Shari, she served in this body in the years 1981 and 1982. At the time of his death, he was in...they were in Alexandria commemorating the thousandth anniversary of the founding of Alexandria, Egypt. Bill happened to be the Mayor of Alexandria, Nebraska, and all of the Alexandria's were there to help that great city commemorate. It was a sudden loss, a loss not only to the family, to the community of Alexandria, Nebraska, but a loss, I believe, to the state as a whole. I would encourage the body of the Legislature to join together in extending our sympathy to Senator Shari Apking and her family. Thank you, Mr. Speaker.

SPEAKER BAACK: Thank you, Senator Coordsen. Senator Peterson.

SENATOR PETERSON: Mr. Speaker and members, I, too, rise to extend the sympathy to Shari who sat right where Bud Robinson sits, the few years that she was here. And I've known Bill and Shari for many years. The thing that I remember best about Bill, I never will forget it, as I always kidded him and said put out your gosh darn pipe, he always was puffing, puffing, puffing on his pipe. And I know he will be greatly missed because they was quite an enthusiastic couple and doing different things. And I, too, extend my sympathy to Shari and the rest of the family. Thank you.

SPEAKER BAACK: Thank you, Senator Peterson. Senator Coordsen, do you wish to close on your...Waives closing. We will now vote on the resolution. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of LR 5.
