

in the state play... (recorder malfunction)...your support on this.

PRESIDENT MOUL: Thank you, Senator Robinson. Is there anyone else who wishes to address this resolution? Senator Moore.

SENATOR MOORE: Madam President and members, I...just a thought, I mean, if everybody introduced resolutions for teams that qualify for the state playoffs, I don't know, is that a hundred, I think, something like that?

SENATOR ROBINSON: (Microphone not activated) ...get to do all of them.

SENATOR MOORE: Well, I mean, I guess, I just...no big deal, if we can introduce resolutions...70, 70 or more resolutions for every sport, and I guess I have a little concern about doing it for qualifying for the state playoffs. I think it's more than apropos when people win the state championships or lose closely. Just because they qualify, I just kind of wonder out loud whether we need to do that for everyone that qualifies.

SENATOR ROBINSON: Do you realize this is the alma mater of the Lieutenant Governor? I just wondered if you understood that. I'm not sure your remarks were appropriate at this time. But if you want me to withdraw it, I'll withdraw it if you want me to. Withdraw the amendments (sic).

PRESIDENT MOUL: The amendment is...or the resolution is withdrawn. Senator Robinson, would you like to pass over on the resolution rather than withdraw?

SENATOR ROBINSON: Pass over.

PRESIDENT MOUL: Okay, the resolution is passed over.

CLERK: Madam President, Senator Hall would like to have a meeting of the Revenue Committee in the Senate Lounge now. The Revenue Committee in the Senate Lounge now for an Executive Session.

PRESIDENT MOUL: The Legislature will stand at ease.
