talk about a dear friend, Merlyn Dickerson. Merlyn Dickerson was an individual that we'd all like to copy after. Merlyn Dickerson served on the County Commissioners Board for 28 years. Merlyn Dickerson established the District Probation Office in Lexington.   Mr. Dickerson served on the School Board of District #35. He served on the Nebraska Advisory Commission on Aging, was a member of the South Central Law Enforcement Planning Commission. Mr. Dickerson served on many, many other boards, I cannot mention them all for the lack of time. Mr. Dickerson was a man of integrity. Mr. Dickerson in his last days walked around with an oxygen bottle that he pulled behind him.   This is the kind of person he was. He never gave up. He was a volunteer. As we know, without volunteers this country would be in much, much trouble. They serve the country well. Mr. Dickerson was a family man. He was loved by his family as well as all of his friends which he had many. I would just like to read for the record, now, therefore, be it resolved by the members of the Ninety-Fourth Legislature of Nebraska, First Session, that the condolences and sympathy of the members of the Legislature are extended to the family of the late Merlyn C. Dickerson.   His epitaph might read, I loved life.   And I certainly loved Mr. Dickerson and I will miss him dearly. Thank you.
